### INVITATION TO PARTICIPATE IN THE "DR KEITH WADDELL AT 90, RUN FOR CHILD EYE CANCER CARE" CHARITY FUNDRAISING EVENT

Christian greetings to you.

Ankole Diocese and the Dr. Keith Waddell Foundation warmly invite you to participate in the "Dr. Keith Waddell at 90, Run for Child Eye Cancer Care" charity fundraising event to be held on **2<sup>nd</sup>** October 2026.

This event celebrates the remarkable life and legacy of Dr. Keith Waddell, whose dedicated service to Uganda, particularly within Ankole Diocese, has transformed lives through quality healthcare, education, and compassionate support for vulnerable communities for over 40 years. His pioneering contribution to eye health, coupled with his personal commitment to supporting disadvantaged children and young people, continues to inspire generations.

To preserve and advance this legacy, the Dr. Keith Waddell Foundation was established in 2022 to continue supporting vulnerable children through sustainable health and social interventions.

This year's charity run seeks to raise funds for the treatment and welfare of children living with Retinoblastoma, a life-threatening eye cancer that primarily affects children under five years of age. Funds raised will support treatment, transport, nutrition, accommodation, and other essential care required throughout the treatment journey.

We therefore invite you to support this noble cause by participating in the charity run, making a financial contribution, and mobilizing your family, friends, colleagues and partners to join this life-changing initiative. Donations may be made through: Bank: Stanbic Bank, Account Name: Dr. Keith Waddell Foundation Ltd, Account Number: 9030021221928.

For further information, please contact: Rev. Canon Edson Abaasa, Diocesan Secretary Ankole Diocese, Tel: 0782 727540 or Mr. Joseph Magyezi, Diocesan Health Coordinator, Tel: 0781 495265.

Your support will help save the lives of children with eye cancer while honouring the enduring legacy of Dr. Keith Waddell.

May God richly bless you as you partner with us in giving hope and restoring lives.

Yours Sincerely,

BISHOP OF ANKOLE DIOCESE

+ 29 JUN 2026 +
